## Government of Viet Nam May Be Cracking

SAIGON, South Viet Nam (AP) — South Vietnamese government troops last week suffered their highest casualties in eight months in the war against the Communist Viet Cong, a U.S. spokesman said today.

Government forces killed 550 Communist guerrillas, however, compared with 260 of their own dead.

A total of 985 government troops was killed or wounded, the spokesman said. The figure did not include the battle in An Lao valley, where casualties were reported heavy.

Thirteen Americans were killed in action last week.

The U.S. Army also increased its casualty total in the Viet Cong bombing of a U.S. barracks Monday in Thu Dau Mot. First reports said four Americans wounded; the Army today said there were 13. Most of them incurred only minor wounds, the spokesman said.

Two other U.S. advisers were reported wounded today in actions against the Viet Cong.

South Viet Nam's government showed signs of cracking as 500 Buddhist monks and nuns began a 24-hour hunger strike.

Reliable sources reported that Phan Tan Chuc, education and cultural affairs minister, resigned this morning. He was in disfavor with the Buddhists.

Unconfirmed reports said some other ministers may resign.

The Buddhist hunger strike and one last weekend were aimed at toppling Premier Tran Van Huong's regime. Buddhist leader Thich Tam Chau declared today that bigger strikes would be planned if Huong "continues his lies and distortions against Buddhists and his attempts to disunify us."

Tam Chau, addressing 500 devotees inside the Buddhist Institute, pagoda, said Huong was "becoming a dictator like Ngo Dinh Diem and is being helped by some foreigners."

This remark was aimed at the United States, which has been giving full backing to Huong.

Tam Chau charged Huong had tried to split the Buddhists by creating the Association of General Buddhism.

Tam Chau said the Buddhists would keep up a campaign of non-violence and non-cooperation until the Huong government is replaced.

Earlier Buddhist attempts to oust Huong through demonstrations and riots failed when the government sent troops and police against the rioters. The Buddhist leadership is trying to re-establish the powerful political position it held for a time after its major part in the overthrow of President Diem. Huong so far has refused to be pressured by the monks.

## In War You Sometimes Kill Your Own to Keep Others From a Chosen Position

By HAL BOYLE

NEW YORK (AP) — In war you sometimes kill your own people to keep the other fellow from going through your chosen position.

This is a necessary facet of combat perhaps unrealized by a younger generation more used to prosperity than danger.

Let me present an example: On this day 20 years ago, Adolf Hitler—as his professional army advisers wryly knew—gave up the ghost of victory in the west by starting the Battle of the Bulge in the Belgian Ardennes.

Few things in this world are harder to contain than a well-planned German attempt to move from here to there.

At first they slipped in stealthy silhouettes of well-armed silence, killing us by their being and surprising us by their daring.

There were two armies of them. One was the 5th Panzer army, led by a professional army man, Gen. Hasso von Manteuffel, whose main purpose was destroyed by our resistance at St. Vith and Bastogne.

The verdict of "Nuts" to the enemy was not given alone at Bastogne. It was given to him at most places after his finely organized breakthrough.

The other German army, the 6th, was led by Sepp Dietrich, a former Hitler chauffeur, and made up mostly of poorly led SS troops. To Von Manteuffel, sharing a goal with Sepp Dietrich was almost like asking Gen. Omar N. Bradley to fight side by side with Al Capone, and giving Capone more tanks and guns.

The troops under Dietrich came roaring through our lines, as their worn photographs of

NEW PORT RICHEY, Fla. (AP) — Keith McCart honked the horn at the 'cow. The cow then honked the honk.

This happened after McCart, 19, of New Port Richey, spotted the cow standing in the middle of the highway Tuesday night.

McCart stopped his car and honked the horn. The cow charged and pierced the front of McCart's car in two places. It then wandered away into the woods.

## LBJ to Give 'Great Society' Big Sendoff

By JACK B.L.L.

WASHINGTON (AP) — President Johnson's decision to deliver his State-of-the-Union message at a prime night television hour on Jan. 4 indicates he plans a rousing sendoff for his "Great Society" program.

The White House announced Tuesday that the President will address the 89th Congress at 9 p.m. EST on the day it convenes.

That would follow a precedent set by Franklin D. Roosevelt in speaking at the same hour on Jan. 3, 1936. The difference will be that Johnson will be talking to a new Congress where FDR was addressing the second session of a Congress that had been at work a year.

White House press secretary George Reedy said the unusual step was being taken because "the President considers this not only a report to Congress but a report to the American people."

Republicans were quick to note that the President had selected a prime television viewing hour. They suggested that Johnson was planning to try to rush through a legislative program.

Sen. Bourke B. Hickenlooper of Iowa, chairman of the Senate Republican Policy Committee, said he didn't know of any emergency that would require the President to come to Congress on his first day and force the holding of a night session.

Sen. John G. Tower, R-Tex., said he thinks "it's just politicking" for the President to speak at night.

"I suppose he wants to exploit prime radio and TV time and make a big show of it," Tower said.

However, Sen. Milton R. Young, R-N.D., said he didn't think it was a bad idea.

"It's a bit unusual but I think it will be all right," Young said. Sen. Jack Miller, R-Iowa, quipped that "coming at such a late hour, I trust his message will be illuminating."

Sen. Margaret Chase Smith, R-Maine, said "the novelty of the hour is intriguing."

In response to other questions, Reedy said he didn't think it would be wise to anticipate that

## Russia Closes Out Congo Diplomat

By FRED W. COLEMAN

MOSCOW (AP) — The Soviet Union charged Congolese Premier Moise Tshombe's only diplomat in Moscow with "hostile activities" today. He was ordered to close the Congolese legation and leave the country.

M. Gaston Ngambani, the Congolese charge d'affaires, was summoned to the Soviet Foreign Ministry Tuesday and told to leave. No date was set for his departure.

An announcement by Tass, the Soviet news agency, accused Ngambani of "activities unfriendly to the Soviet Union" and "permissible actions in respect of Soviet citizens."

Tass said Ngambani's "hostile activities were particularly stepped up after the henchman of the imperialists, Tshombe captured power in the Congo."

The statement continued: "The Congolese authorities have increased their hostile and slanderous campaign against the U.S.S.R. and its peaceful foreign policy aimed at the development of friendly relations and fraternal cooperation with African peoples."

Pravda, the Soviet Communist party newspaper, published a cartoon today depicting Tshombe as a tail-wagging African licking the boots of Germany and Italy. The premier is seeking financial aid in West Germany after visiting Italy.

Soviet propaganda has persistently assailed Tshombe as a lackey of the United States and Belgium.

The Congolese legation was one of four attacked Nov. 28 by a mob of Asian and African students protesting the U.S.-Belgian action to rescue hostages from the Congolese rebels. The mob broke windows, and two students climbed in a window and started ransacking an office. Soviet policemen threw them out.

## 30 Below Zero in Saskatchewan

SASKATOON, Sask. (AP) — One of the worst prairie blizzards in history slammed into Saskatchewan today after causing at least two deaths in Alberta.

Temperatures dropped to 30 below zero and winds howled up to 70 miles an hour. Schools closed and travel was virtually abandoned.

Weather officials expect the bitterly cold weather to continue for several days. Highs of 25 below were forecast across the province and for Saskatchewan. As the winds die, temperatures are expected to drop even lower.

## ASC Selects Convention Delegates

The Hempstead County Agricultural Stabilization and Conservation (ASC) Committee for next year will be elected by farmer-chosen delegates to a county convention a 10:30 a.m., December 17, 1964, at the ASCS County Office, according to H. B. Gilbert, Chairman, ASC County Committee.

The convention will be open to the public, and any person interested in observing the voting procedure may attend. However, only farmer - delegates to the convention may participate in the election process. Election is by secret ballot and plurality vote.

The delegates to the county convention and the communities they represent are: Spring Hill - J. T. Wright, Rt. 1, Hope, Ark.; Patmos-Eldredge Farm - Patmos, Ark.; Shover Springs & Rocky Mound - Howard Reece, Rt. 2, Hope, Ark.; Hope-W.J. Schooley - Fulton & Guernsey - A. O. Bright, Fulton, Ark.; Crossroads & McNab - Wade Gilbert, Rt. 1, Washington-Ark.; Columbus & Washington - John J. Wilson, Columbus, Ark.; DeAnn & Bairds Chapel - R. B. Arnold, Rt. 3, Hope, Ark.; Blevins & Sweet Home - Carl A. Brown, Rt. 5, Prescott, Ark.; McCaskill & Belton - Luther Spicer, McCaskill, Ark.; Ozan & Sardis - T. Rowe, Rt. 1, Ozan, Ark.; Bingen - Charles Erwin, Rt. 1, Nashville, Ark.

ASC county and community committeemen are in charge of the local administration of such farm - action programs as the Agricultural Conservation Program, the feed grain program, the voluntary wheat program, acreage allotments and marketing quotas, the National Wool Program, commodity loans, and storage facility loans.

A qualified candidate for service on the ASC county committee is one who is a resident eligible to vote in the county election, and who meets other eligibility requirements. The Chairman pointed out that it is desirable that a member of the county committee be representative of the type and kind of farming in the county. Other details as to qualifications of candidates are available in the ASCS County Office.

Any questions on eligibility to hold office as an ASC county committeeman will be decided by the incumbent county committee subject to appeal to the State committee; the convention would proceed, however, on the basis of the county committee decision.

Mr. Gilbert urged all ASC farmer-delegates to be sure to attend the county convention. These farmers were chosen as convention delegates at recent ASC community Committee elections throughout the county.

## Cotton Check in Phillips County

HELENA, Ark. (AP)—Agents of the Agricultural Stabilization and Conservation Service arrived in Phillips County today to make a spot check of cotton plantings.

A spokesman said Phillips was one of 10 Arkansas counties being checked. He said further comment would have to come from the state ASCS office in Little Rock.

The check is apparently a continuation of a checking program which uncovered widespread instances of overplanting in St. Francis County.

## NATO Nuclear Power Ample, Says McNamara

By TOM OCHILTREE

PARIS (AP) — Defense Secretary Robert S. McNamara said today the North Atlantic Treaty Organization now is so powerful in nuclear and conventional power that further large-scale investments in such weapons are unnecessary.

McNamara told NATO ministers that, generally speaking, present force goals of the alliance are adequate to meet aggression.

Except for a few countries, he said, increases in national defense budgets now are not needed.

Outside the conference, Secretary of State Dean Rusk was to meet for the second time this week with President Charles de Gaulle, chief foe of U.S. plans for an integrated Allied nuclear defense force.

With France determined to forge its own independent nuclear force, Rusk met Tuesday with diplomatic leaders from Britain, West Germany, Italy and the Netherlands to consider holding a top-level meeting early in the new year to study proposals for a NATO nuclear force.

They tentatively agreed on a meeting of deputy foreign ministers to study the U.S. proposal for a multilateral nuclear force — MLF — British suggestions for a wider Atlantic air-sea nuclear command and any other ideas on the subject any NATO member wants to bring up.

The meeting of the five foreign ministers reflected U.S. determination to proceed, with plans for an Allied nuclear command. Rusk has assured de Gaulle, however, that the United States has no desire to isolate France and that the door to any NATO nuclear command will always be open to the French.

In an address to the NATO Council Tuesday, French Foreign Minister Maurice Couve de Murville made a new attack on the U.S. proposal for a NATO fleet of surface ships armed with Polaris missiles and manned by crews of mixed nationality.

Couve de Murville claimed he could not comprehend how supporters of the project could say they want to halt the spread of nuclear weapons to other nations and at the same time propose that non-nuclear nations have a voice in the use of such weapons.

## Skyline Drive Gets Okay From State

LITTLE ROCK (AP)—Arkansas has notified the federal government that it will build the segment of the Arkansas-Oklahoma skyline drive which passes through Queen Wilhelmina State Park.

Gov. Orval E. Faubus said last week that he had been notified by Rep. Oren Harris, D-Ark., that Arkansas might lose \$1 million in federal funds allocated to the Skyline Drive project if it did not commit itself to build the road through the park.

Y. W. Whelchel, Highway Department information officer, said today that formal notice of commitment to build had been forwarded to the federal Bureau of Public Roads.

Whelchel said the estimated cost of the park segment, about two miles long, was \$100,000.

The federal government will pay half of this cost.

The remainder of the route, a scenic drive along the crest of a Quachita Mountain ridge, is being paid for entirely with federal funds. Total cost of the project is estimated at \$7 million, with \$1 million allocated for the Arkansas segment which runs from the Oklahoma state line to near Mena.

The powerful storm — described by the Weather Bureau as "almost unprecedented for late autumn" — covered the entire northwestern quarter of the nation.

7 SHOPPING DAYS TILL CHRISTMAS

# Brown Named Leading NFL Runner

NEW YORK (AP) — Cleveland's Jimmy Brown officially was declared the National Football League's leading ground gainer today, becoming the only individual champion in eight departments to grab a second consecutive crown.

Brown won the rushing title with 1,446 yards gained in 280 attempts for a 5.2 average, pushing his career total to 10,768. He did, however, fall off from his 1963 output of 1,863 yards in 291 carries for a 6.4 mark.

Green Bay quarterback Bart Starr regained the passing title he lost to Y. A. Tittle of the New York Giants last year by completing 59.9 per cent of his passes for 2,144 yards and 15 touchdowns. His big plus was only four interceptions in 272 attempts and a record string of 225 attempts without a steal.

In other departments, Baltimore's Lenny Moore won the scoring title, Johnny Morris of the Chicago Bears was tops in pass receiving, Washington rookie Paul Krause was No. 1 in interceptions, Minnesota's Bob Allen was the punting leader, Tommy Watkins of Detroit finished first in punt returns and Clarence Childs of New York topped the kickoff return specialists.

## Rhyme Named Best Back in AP Poll

By THE ASSOCIATED PRESS

Tulsa's Jerry Rhyme and Notre Dame's John Huarte were so close in the voting for college football Back-of-the-Year honors that one fellow voted for both of them.

But Rhyme, who set almost as many records as the guide book typesetters, got the narrow nod in the annual Associated Press poll.

When the count of sports writers and broadcasters was completed, Rhyme had 42½ votes and Huarte 39½.

Bob Timberlake of Michigan was the only other player in double figures. He got 16. Rhyme set 10 college records for moving the football before he even played his last game for Tulsa and added seven more — and a little scratching around among the figures will probably locate a few more.

The Tulsa star set records for pass completions, touchdown passes, yards passing and total offense for a season — among others — as he led the nation's college passers by a wide margin.

Rhyme was also the nation's total-offense leader. In a three-season career, in-

toppled a brick wall in a residential section of Cheyenne, Wyo. The snowfall in Wyoming ranged from 6 to 12 inches, but more snow was falling and piled into deep drifts by strong winds.

At Powell, on the storm's fringe, the temperature dropped from 27 above zero to 12 below in a matter of minutes.

New Mexico was hit by 72 m.p.h. winds, shifting snow into drifts.

Destructive winds accompanied by bitter cold belted Washington State, closing schools to an estimated 10,000 pupils. Snow falls ranged from 1 to 12 inches.

Blizzard conditions prevailed in North Dakota and northern Minnesota with up to 4 inches of new snow, predicted, accompanied by strong winds and extreme cold temperatures.

Utah had cold-wave warnings. So did all of Kansas and northwestern Missouri for today and tonight. Northwest Kansas had some flying dust which cut visibility.

Temperatures dropped to 60 over Alaska. Even the usually moderate Alaskan Panhandle reported sub-zero readings.

Cold water numbed New England as the temperature ranged from 10 above to 5 in some sections.

## Attendance in Football at Peak

NEW YORK (AP) — College football reached an all-time high in attendance in 1964, attracting a total of 23,354,477

cluding one at Southern Methodist. Rhyme also smashed most of the career college marks, including completions and passing yards.

Among single-game marks established by the fabulous passer were seven touchdown passes against Louisville, and 35 completions for 488 yards and 504 yards of total offense against Oklahoma State.

Over 10 games, Rhyme had 224 completions in 326 attempts, an unprecedented .687 mark, and had only four passes intercepted.

Huarte, who led Notre Dame to a great season marred at the end by the loss to Southern California, finished third in total offense and 11th on the passing list.

Huarte's figures showed 114 completions in 205 attempts for a .556 average, with 11 intercepted.

The figures, released today by the Nation Collegiate Athletic Bureau, showed an increase for 1,117,383, or 5.02 per cent, over the 1963 total.

Both previous highs were set last year when 22,237,094 turned out, an increase of 4.76 per cent over 1962.

# Appeals His Conviction of Tampering

CINCINNATI, Ohio (AP) —

Claiming the government committed numerous errors, lawyers for Teamsters Union President James R. Hoffa begin an appeal today of his jury-tampering conviction.

The defense and the government each were allowed two hours for oral arguments in the 6th U.S. Circuit Court of Appeals.

Hoffa's appeal is being considered along with those of three other men convicted with him last March 5 in a federal trial at Chattanooga, Tenn. All are free under bond.

The codefendants are Ewing King, former head of the Nashville, Tenn. Teamsters Local 327; Larry Campbell, Teamsters business agent for Detroit Local 299; and Thomas E. Parks of Nashville, Campbell's uncle.

Defense lawyers asked for reversals of the convictions because they said 16 broad categories of prejudicial errors were made by the Chattanooga trial judge and also on federal grand jury proceedings before the trial.

It was expected that the three-judge appeals panel would take weeks to study the arguments before deciding to uphold the convictions or set them aside.

The conviction was the first for Hoffa, 51, who heads the nation's largest labor union with 1.7 million members.

The Chattanooga jury convicted Hoffa of trying to rig a federal court jury during his 1962 conspiracy trial at Nashville, Tenn., which ended with a hung jury. He was sentenced to eight years in prison and fined \$10,000 by U.S. Dist. Judge Frank Wilson. King, Campbell and Parks were sentenced to three-year terms.

Hoffa was convicted six months later in Chicago of fraud in obtaining loans from the Teamsters' pension fund. An appeal on that conviction is pending.

The Chattanooga jury found Hoffa, Campbell and Parks guilty of trying to offer \$10,000 to the son of a juror in the Nashville trial. It also found that Hoffa and King tried to influence another juror by offering to help her husband get a promotion on the Tennessee Highway Patrol.

TEXARKANA, Ark. (AP)—A

Negro man took his own life Saturday after wounding a friend in a tavern where police said a gun accidentally discharged.

Officers said William Fred Hubbard apparently thought a .25 caliber pistol was unloaded when he pointed it at Arthur James, 26, also a Negro of Texarkana, and pulled the trigger.

Police said Hubbard attempted to shoot himself while en route with James and others to a hospital, but was subdued. When the group reached the hospital, they said, Hubbard ran around the building and shot himself. James was reported in satisfactory condition with a stomach wound.

## Haynes Gets Comeback of Year Title

NEW YORK (AP) — Abner

Haynes, the American Football League's first big name, won a new honor Wednesday when he was named winner of the Comeback-of-the-Year award of the AFL by an Associated Press panel.

Haynes, 28, started the season with Kansas City as a split end, filling in for the injured Chris Burford. Coach Hank Stram had talked of using him at flanker behind Frank Jackson. Curt McCClinton apparently had usurped his old job at running back.

Abner moved into the backfield as soon as Burford was healthy and showed much of his old dash and drive while gaining 652 yards on 124 carries in the first 13 games.

The first day Haynes returned to the backfield the Chiefs were playing the Oakland Raiders. Abner ran 12 times for 196 yards and caught five passes for 117 yards to prove he was back in business.

This was the man who was

In the voting of the 24-man

## "DEAR ABBY"

MORE BAD LUCK!

By Abigail Van Buren

Dear Abby: I have had very bad luck with husbands. One died, and I divorced two, and now I am alone again. My thoughts keep going back to a very fine

man I used to know between my second and third husbands. About a year ago I heard that his wife had cancer and it was just a matter of time. I would like to find out if she is dead yet. I have lost all contact with my friends in that town but I do have this man's business address. How can I let him know that I would enjoy seeing him again without having it look like I am chasing him? Also, how can I find out for sure if his wife is dead yet?

Master Point Night

Master Point Night for the Hope Duplicate Bridge Club was held at the Hope Country Club on Monday, December 14 with 4 1/2 tables of players. R. L. Broach and Luther Hollamon took first place honors.

Mrs. Tully Henry and Mike Kelly were the second place couple, while Mrs. J. M. Duffie and Mrs. Paul Lewis were third and Miss Mary K. Lehman and Mrs. Emmett Thompson were fourth.

## Coming and Going

Mrs. Reno Bonomo, Killeen, Tex., is visiting her mother, Mrs. Thelma Moore and her grandmother, Mrs. J. E. Schooley, this week.

Mike Curtis, who underwent surgery recently in Texarkana, returned to his home at 300 East 13th on Monday.

so much that she can hardly wait to bury his wife.

Dear Abby: It seems that the saying "Girls fall for men who are heels" is true, yet no one has been able to tell me why. I know it is true in my case because every man I have ever fallen for has been a heel. They have all been rough, abusive, lying, cheating, and strictly no good. But even knowing this, I can't stop loving them. Can you tell me why a woman goes right on loving a man like that?

MAD ABOUT JOE

Dear Mad: There are many women who "go right on loving a heel" because they feel a deep sense of unworthiness, a need for punishment and, deep down, they feel that they don't deserve anything better. It is a "sick" love that thrives on punishment.

Dear Abby: I have a problem with a neighbor who has recently moved into my neighborhood. I knew her casually years ago, and I suppose that's the reason she has latched on to me. While she is a good-hearted soul, and I enjoy her company in small doses, I don't have enough in common with her to become the bosom buddy she is trying to make me. I work and she doesn't, and the minute she sees my car in my driveway she runs over to visit. She also feels free to intrude when I have other guests. The situation is becoming very trying. I would tell her off once and for all, but I don't like to hurt people's feelings. I'd like to remain friendly with her without giving her the freedom of my house. Can this be done?

Dear Working: That depends: If you have the courage to tell your neighbor that you have only a limited amount of time for "visitors" and please to wait until YOU call HER, you can retain your privacy, and perhaps her friendship in "small doses." On the other hand, if Her feelings mean more to you than YOUR privacy prepare to surrender your privacy and don't complain.

Confidential To "Connie's Sister, Kathy": Please send me your address. It is very impor-

tant that I get in touch with you.

## Razorbacks Show Signs of Resurgence

By THE ASSOCIATED PRESS

Arkansas showed symptoms of a resurgent Tuesday night when the Razorbacks beat Tulsa 65-64, but Southern Methodist faltered in an 81-72 loss to Oklahoma City University and the Southwest Conference failed to gain ground intersectionally.

Arkansas, which started out by dropping its first three games, now has won two in a row. Last week the Razorbacks whipped Hardin-Simmons 68-63. Tuesday night the P orkers had to survive a strong Tulsa rally to edge the Hurricane. Steve Rousseau hit a jump shot with 17 seconds left to pull Arkansas ahead.

Rick Park paced the second half Tulsa rally and wound up with 22 points for the night. J. D. McConnell topped Arkansas with 20.

Southern Methodist and Oklahoma City hooked up in a seasaw game that saw the score tied six times and the lead change hands nine times in the first half.

SMU pulled within two points of the Chiefs with 6:21 remaining but just couldn't make it although Carroll Houser had a great night, pouring in 26 points to lead everybody.

The Methodists beat Oklahoma City 89-76 at Dallas in the season opener.

Baylor, leading the league with a 4-0 record, plays North Texas State at Denton tonight while Texas Tech meets Oklahoma at Norman. Meanwhile Rice takes on Texas A&M and in the Bluebonnet Classic at Houston.

## Bobcats Blast Prescott for Sixth Straight

By CARTER HARDAGE

Blazing Prescott 65-51 last night in Jones Field House, the Bobcats extended their winning streak to six games.

The Curley Wolves took the lead at the opening tip. They held it for ten seconds. The Cats combined their murderous defense with some bombing from the outside, and it was all over before it started.

Racking up a 21-5 lead at the end of the quarter, Hope sent in the subs, who matched points with the Prescott seniors. The Bobcats again sent in the gunners during the third quarter, and then turned it over during the final period.

Jerry Burnett was high pointer with 24. Buddy Jordan and Ronnie Ingram each sacked up 10. Mike Archer and Vince Masanelli had 8 each. Andy High and Larry May 2 apiece, and Virgil McNatt 1.

The Bobkittens were edged out of a 25-24 squeaker in the final seconds of their match.

Donnie Middlebrooks sacked one with forty-six seconds remaining to pull the Kittens up to within two at 24-22.

With only twenty-one seconds left in the game, Richard Saltee tied with Bill White of Prescott. Hope kept possession, but three Kittens tried unsuccessfully to score the tying points.

Larry Nelson then sacked a chairty shot to lengthen the margin to 25-24. Saltee scored as the game came to an end.

Richard Saltee was leading scorer with 9 points. Johnny Jones had 8. Donnie Middlebrooks 4. Terry Blair 2, and John Henley 1.

Hope's Holiday Tournament continues tonight. At 5:30, girls' defending state champion Lewisville will take on Emmet.

In a boys' match at 6:30, Guernsey and Emmett will tangle. At 7:30 one of the tourney's Greenwood takes on the Kirby girls.

The night's finale will be at 8:30 when Kirby takes on Spring Hill in a boys' game.

## Broyles Says Hogs in High Spirit

FAYETTEVILLE, Ark. (AP)

Arkansas football coach Frank Broyles said Tuesday that his second-ranked Razorbacks are in high spirits as they work toward a Cotton Bowl date with Nebraska.

Tuesday's practice, with emphasis on special assignments and conditioning, went "very well," Broyles said.

"As long as you've got enthusiasm, you can improve and as long as you improve, you can have a good practice," he said.

The Razorbacks, with a 10-0 record and the Southwest Conference title in their pockets, play the sixth-ranked Cornhuskers Jan. 1.

## Porkers Hold on for a Win Over Tulsa

FAYETTEVILLE, Ark. (AP)

Rick Park, hitting 20 points in the second half, paced a Tulsa rally that ran out of gas in the last seconds leaving Arkansas a 65-64 basketball victory over the Hurricane.

That gave the Razorbacks a 2-3 record and Tulsa a 2-2 record.

Arkansas built up leads of 14 points on two occasions in the second half, but the Hurricane came alive on Park's shooting and pulled back within a point of Arkansas.

Park hit a 20-footer to give Tulsa its first lead of the second half, 62-61.

J. D. McConnell put in a long jump shot to give Arkansas the lead again, but Park's free throws gave Tulsa a 64-63 edge with 33 seconds to go.

Steve Rousseau, Arkansas' 5-foot-9 guard, hit a jump shot from about 12 feet out to give

the Razorbacks the triumph.
